**Illinois Classical Conference Meeting**

**October 7-9, 2016**

**Adlai E. Stevenson High School**

The Illinois Classical Conference seeks proposals for its annual conference, to be held at **Stevenson High School in Lincolnshire, IL, from October 7-9, 2016**. There is no set theme: we would like to maintain variety both in level and in topic. We encourage presenters to meet the high standard of quality we have seen in the past by offering presentations which are engaging, enlightening, and focused. Speakers have been from all backgrounds (educators, non-educators, Classics enthusiasts, students) and from all levels (kindergarten through university). Our annual meetings exhibit Illinois's profound commitment to the Classics by offering a wide variety of topics.

Proposals are being accepted in two formats:

- Paper: traditional talk, 15-20 minutes
- Workshop: interactive presentation, 30-40 minutes

The Illinois Classical Conference was established in 1937 and has enjoyed a robust membership every year since (including presidents emeriti Farrand Baker, Bernice Fox, and Tom Sienkewicz). Our membership is a dedicated mix of elementary, secondary, and post-secondary educators who are interested in a wide variety of topics related to history, culture, mythology, and pedagogy. The ICC draws its membership from 8 elementary school programs, 15 middle school programs, 79 high school Latin programs, and 23 colleges and universities that offer Classics programs. The ICC assists in the development of an MAT program in Latin at University of Illinois Urbana-Champaign and also supports a *certamen* league, the Illinois Junior Classical League, the Illinois Latin Tournament, and the Latin Pedagogy Workshop.
